Questions for Today

Please be prepared to discuss the following questions in breakout sessions during the workgroup meeting.

1. What are we doing well in Michigan regarding our water infrastructure?
2. What policy changes are needed to ensure Michigan has equitable and sustainable funding to support water infrastructure?
3. What other policy changes, programs, and incentives are needed to support water infrastructure and grow Michigan's population?
4. What policy changes, programs, and incentives are needed to support better coordination of infrastructure across asset type (e.g., water, roads, etc.)?
