

# The Charge for Today's Meeting

Growing Michigan Together Council  
Workgroup Meeting Four

# Workgroup Meeting Flow and Timeline

# The Charge for Today

## Revisit

Revisit workforce shortages and talent attraction and retention for a best practices grounding and discussion.

## Discuss

Discuss best practices research in relationship to existing recommendations and new ideas on how to increase Michigan's attractiveness.

# Format for Today

- Consider the first two topics in the context of the best practices presentation by Citizens Research Council
- Breakout session for today's topic
- Reconnecting in the larger group for sharing

# Charge for Week of September 11

- No meeting this week
- Review all data, presentations, and other content to date
- Review recommendations to date
- Ask questions
- Prepare for a refinement and prioritization discussion (in-person, if possible) on 9/20

# Priority Three: Increasing Michigan's Attractiveness

What would make Michigan a place not only where people want to work, but the place they call home?

How do we address disparities that reduce Michigan's attractiveness and quality of life (e.g., health and prosperity)?

Our workgroup focus is on what is needed for people.

There will be a workgroup chairs meeting to review and discuss common ideas.

# Question One

**What would make Michigan a place not only where people want to work, but the place they call home?**

# Question Two

**What recommendations would you prioritize to address disparities (e.g. health, prosperity, inclusivity) and make Michigan more attractive?**
