

Charge for Today's Meeting

Growing Michigan Together Council
Workgroup Meeting Six

Roadmap for Today

- Facilitated discussion of draft recommendations in breakout sessions
 - Review each set of specific policy recommendations in table
 - Further refine and prioritize what should remain in the table
- Group discussion to share results and set steps to get us to voting

Other Updates

New reports and content will be added to the site today, including CRC's final research.

A summary of relevant DRC/BLM poll results will be prepared.

A new meeting will be added on October 2.

Questions to Further Refine and Prioritize Recommendations

What recommendations or specific policy ideas need further refinement?

What recommendations will most strongly support population growth?

If you had to pick 3 recommendations from the table to send to the council, what would they be and why?
